Southern Region Awards Banquet

June 10, 2023

A Message From Regional Director Kenny Currle

It's been an exciting and rewarding 2022-2023 show season for our region. Our breeders, exhibitors and clubs were successful in achieving numerous recognition for their cats in our CFA show rings.

Congratulations to all Regional winners here tonight as we celebrate your wins in a region where the competition is like no other. The quality of your cats is a reflection of your dedication to your respective breeds.

Region 7 cats will be also recognized at the national level with 24 National Winners:

- Six NW in Championship 6 (including Best Cat)
- Six NW in Kittens 6
- NW Premiership 9 (including Best Cat)
- HNW HHP 3

plus:

- 12 National Breed Winners
- 7 2nd National Breed Winners
- 6 3rd National Breed Winners

Special thanks to our host clubs Star City and Central Carolina Cat Fanciers, and to all that sponsored awards, especially the now-revealed "friend of the Southern Region," Hope Gonano, who has supported so many winners in past years.
I would like to thank our judges who have demonstrated professionalism in their duties at our shows..

It has been an honor to be your Regional Director the past 5 years. I am grateful to my committee members and to all who have contributed past and present. Because of you, we are **Simply the Best** Region in CFA!!!

Congratulations to all!

Kenny Currle

2022-2023
Catteries of Distinction

The purpose of these awards is to acknowledge Catteries that have reached certain thresholds of Grands produced.
The number of Grands will be based on the registered cattery name, not individual breeders. Breeders who have bred under multiple cattery names may petition the Board to have the Grands from both cattery names combined for purposes of this award. Grand Champions and Grand Premiers are counted equally, but if an individual cat achieves both titles it will only be counted once. Grands may be of one or multiple breeds. Tiers celebrate each level of accomplishment. Superior status indicates a cattery has produced the required number of DMs for its tier level.

TIER	SUPERIOR	CATTERY NAME	#DMS	# GRANDS	# GC	# GP	#GC GP	BREEDER NAME
