June 8, 2024**

A Message From Regional Director Kenny Currie

Welcome to the Southern Region's 2023-2024 awards banquet.

We are here tonight to honor our Southern Stars who have achieved recognition in the most competitive region in all of CFA.

It has been my honor to represent this great region on the board and to recognize the efforts and dedication of a fantastic team who keeps our region as the best in CFA.

Thank you for your continued support of our region and of CFA.

Let's celebrate YOUR achievements!

2023-2024 Catteries of Distinction

The purpose of these awards is to acknowledge Catteries that have reached certain thresholds of Grands produced.

The number of Grands will be based on the registered cattery name, not individual breeders. Breeders who have bred under multiple cattery names may petition the Board to have the Grands from both cattery names combined for purposes of this award. Grand Champions and Grand Premiers are counted equally, but if an individual cat achieves both titles it will only be counted once. Grands may be of one or multiple breeds. Tiers celebrate each level of accomplishment. Superior status indicates a cattery has produced the required number of DMs for its tier level.
